

2016 July - December God Still Speaks...

Since the beginning of 2013, God has blessed Living Faith with His precious presence. Living Faith gathered and printed a booklet of the prophetic words He was speaking to us and this booklet ignited the hearts and imaginations of our people that they have demanded us to continue to compile the "Words of the LORD" or the "Words of YHWH" for them in a second, third, fourth, etc. booklet.

These prophetic words from YHWH are a wonderful reminder of God's love and faithfulness throughout our journey in life, and the hope of Jesus' soon return and reign.

What a wonderful God we serve!

"For the testimony of Jesus is the spirit of prophecy."
Revelation 19:10

Some people reject prophecy out of hand, even before they read or examine it. Scripture tells us *"Do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world."* (1 John 4:1)

But think on this. "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work." (2 Timothy 3:16-17)

Think on this – All Scripture is prophecy! The books of Moses, Ruth, Psalms, the prophetic books, and Daniel, and all in between. Peter even says the letters of Paul are "scripture."

Living Faith does NOT suppose that the "Words of the LORD" are equal to the Scripture in the Bible. But test them! For reproof, correction instruction, that we may be complete for every good work.

“There is a fresh wind that has begun to blow. It’s blowing across the United States, but it’s a wind that’s larger than what you are aware of. It’s a wind of My Holy Spirit. For I am moving across the face of this planet, of this earth. I am moving among all peoples, of every tribe and every language. There’s a change. The wind has been blowing in one direction and I’m changing the direction of the wind. There will be those who will sorrow and grieve, because all they can see is the loss of their position, the loss of what they thought that they had obtained. But, they have built on false premises, and they are starting to fall declares God. For in the wind that I am blowing, in the breath of My Spirit, there is a fresh life. And there is a fresh desire for a spirit of liberty that only comes through Me. And there will be those who are My people, and they will rejoice! Even religious institutions are going to begin to crumble. They are going to begin to fall, and you will hear them crying and wailing, and you will even in some instances, begin to see the gnashing of teeth of those who have hung on to their religion. For I have not called you to be a religious people, I’ve called you to be My sons and My daughters. I’ve called you to walk with Me and My Spirit declares God. And in this new move, you will have

to walk closer to Me than you’ve ever walked before, because there will be what many see as confusion and up-turning the tables, oh, up-turning the tables in the temples that they have built. But their false temples will not stand in this new day declares God, for I am moving and I am tearing down those things that have been built of men, and I am establishing My Kingdom again in the earth. And it shall go to all corners, it shall go to all areas of this world, and they shall know Me declares God. It’s just the beginning. It won’t be in a year or two, or three or five or even seven, but I am doing it declares God. So keep your eyes on Me. Don’t look to the newspapers and the news media to find out what I am doing says God. For they will not understand, and they will not be able to report the things that I’m doing, because they’re going to walk in the confusion, unless they let go of the darkness. And there are some that will, and there are some that will rejoice in My coming; but, mostly they will cry and wail and gnash their teeth, because what they have built cannot stand declares God.

“I’ve shared with you in My word how Balaam was spoken to by his donkey, and you’ve even jested that I will use that which is unuseable, and I will speak through things that are incomprehensible to men, and yet I AM doing it again. And I am raising up people who are not refined, who don’t know all the proper words to use, but they’re following My Spirit to the best of their knowledge, and I’m beginning to seat them in places of authority and places of position. And there will be those who fight them and will struggle against them, and they will fail, because this is of Me, says God. And I AM defying the wisdom of men to bring in My counsel once again. For those who have sought after My heart says God, they will see and they will begin to rejoice. But don’t fall into the fear of the world, but stay in faith with Me, says God. For you will see My hand at work, not only in the US of A, but also in many other nations around the world. For there is that time when the sheep nations will be separated from the goat nations. And the sheep nations will begin to be blessed, for they will follow Me and they will seek after My Spirit says God. And there will be those who will clamor, and they will seek to leave. Let them go. Let them leave. For darkness seeks darkness; but, you’re children of the light. And as you seek My light, I will give you even more light that you will not walk in darkness.”

“I’m about ready to reveal the hidden things declares God. As you begin to pray, I’ll begin to reveal the conspiracies of men. I’ll begin to make all things plain, all things evident. I will begin to shine My light in the grossest darkness. As you begin to rise and shine, as you begin to pray I will cause blinders to go off of people’s eyes. And once again this nation will awaken and see Me declares God. It will be because of the prayers and the intercession of My people that blinders will be removed and My glory will be revealed. And even as I am revealing darkness and driving it out by My light, I also will begin to bring revelation knowledge like never before declares God. For we are coming into a season of a great awakening. We’re coming to a season where I’m going to blow fresh all over this land. There’s coming to a season where no system will be able to stop Me declares God. We’re coming into a system of the Kingdom Age declares the Lord, where My Kingdom will be revealed, and My Kingdom will be revered and My Kingdom will even be feared by the enemy declares God. But once again you will see Me begin to move in fresh places, and I’ll break out to the right of you and to the left of you and in your midst, and you’ll see a God breaking out all over this nation. And places which would not allow Me in, I’m going to come anyway declares God. For there have been people that have been inviting Me in prayer to go where I’m not wanted by those in authority, but I am the ultimate authority, declares God, and I will shake up the authority to line up with My will and My ways declares God. And You will see things come in line for a season so that My purposes can be revealed and the knowledge of My glory will be world-wide. And people will have choices to make, there will be evidence that I am in the midst. It will not just be in this nation, it will touch the nations of the earth. And watch what I’ll do suddenly in your midst declares God. Things that I have spoken for years I’m going to watch over and I’m going to perform. And you’re going to see it, you’re going to experience it, and you are going to see a whole new generation walking in the newness of life declares God. You will see the people that everyone else has written off I’m writing in declares God. And I’m going to bring in some of the weirdest people you have ever seen, and I’m going to have unusual anointings on them declares God, so watch what I’ll do. It’s a new season.”

“For I know what’s going on in the earth. I’ve seen what’s happening in the different cities. I’ve seen all these things and I am not shocked. I am not caught off guard as some would suppose. But I know these things says God, and I have already made provision in every circumstance to either avoid these things, or I’ve made the opportunity to overcome them when they do occur. But don’t think for a moment that I have been caught off guard, says God, for I am still seated on My throne and I am continually making intercession for My church, My body, says Jesus. I’ve already done all that I can do, but I’m waiting for the earth to cry out to Me again as Israel did. Often when they went through hard times their hearts began to turn toward Me and as they cried out to Me, I heard and I sent My deliverer. And My people are beginning to cry out to Me. The voice is not that strong yet, but it’s growing, it’s growing, as people begin to realize what is occurring and they begin to realize that I am not in the midst of these occurrences and they begin to cry out, ‘God, where are you?’ I will show Myself and I will manifest Myself in ways that they don’t understand, but they shall know it is Me. For I have not left anyone orphan. For I will call them sons and daughters when they turn unto Me says God. For I have heard their cries and I will meet them. So don’t walk in fear. Don’t walk in those things that the world is caught up in. But know, know My peace, know My glory, know My strength in the midst of these and worship Me and glorify Me, for praise will halt the enemy. Praise will cause him to cease his activities. When My praise reaches the heights, there the enemy will be stopped says God.”

“Yea My people, and I would say unto you thee this night that I stand before you as a warring God. Yea have not I told you in the past that the angels were beginning to congregate at My call. And yea I say unto you this night that the captains of the host have been sent, yea across the heavens. I say unto you that the angels do begin a warfare. Yea they fight for the very earth and they fight for My people. And I say unto you yea, I shall lift My bride up into heavenly places. Yea and as you begin to pray and as you begin to war in the spirit, I say unto you, yea, yea, we shall prevail because I have willed it saith God. Yea, we shall prevail for I have willed it saith God. Yea, and as I stand before you I stand not critically, but yea, I stand to acclaim that My bride will be My bride. Yea, she will be lifted up. Yea she will fight and she will war, and yea, she will make battle, for she is battle ready saith God. Yea, there are many, there are many I say unto you, that have not let down the standard. Yea there are many, there are many saith I unto you this night, that fight the warfare in the hedges and the byways and the highways saith God. And yea, we shall prevail, for yea, it is My will. As I stand before you, I say unto you, put on the whole armor of God. Yea, put on the armor of God, because you’re going to need it My people. I say you’re going to need it. I say unto you, you’re going to need it. For yea, yea, the warfare will not be easy but it shall be sure. For yea, the Captain of the Hosts has been sent forth. Yea, He shall lead thee and He shall guide thee. Yea, My Holy Spirit shall lift thee, yea, up into places that thou knowest not at this time, but yea, I will reveal them unto you, for they are heavenly places. Yea, they are secret places that have been set aside only for those who belong to Me saith God. And yea, yea, be not dismayed and despaired because of the things that you do see around about you. Yea, I say unto thee close your eyes in the natural and begin to see in the spiritual, for they’re out there just as they were in the days of old. They are out there, and yea, they war for Me saith God. And yea, yea, (I) carry My reward with Me and it shall be meted out unto thee, for those who are faithful and those who watch and those who stand, and yea, those who will pick up the banner of Almighty God. Yea, yea thou are a war-faring people saith God.

“For I would desire to impart boldness to you, declares God. I want to make you bolder than lions. I’m gonna turn the chase. I speak to you, take courage. Courage is available, but take it. Take it. Take it by force. Take courage and receive the boldness I want to give. For it’s time for My people to arise and to shine. It’s time for My people to live out loud. It’s time for My people to speak with a boldness and authority that’s not their own, but comes from Me declares God. It’s time not to be timid. And I am going to begin to remove the fear from your midst, declares God. For I’ve not given you a spirit of fear, but of love and power and of a sound mind. And I will literally begin to impart a greater boldness on you than ever before. A boldness so that you can show forth My goodness. And My goodness will lead men to repentance, declares God. As you begin to become bold on the earth, I’ll begin to manifest Myself stronger on the earth, declares the Lord, because I need you to arise and shine so that people can see Me, declares God. There is gross darkness, but there’s a greater light that’s in you. The glory of the Lord, My glory, is resting on you. It’s time to arise and shine and watch the darkness dissipate, and watch people be drawn to the light, declares God. Do not magnify the darkness, but magnify the light. Do not magnify the problems, but magnify Me declares God, and watch what I’ll do. Because as you magnify Me, I will be magnified once again in this nation declares the Lord. If you will magnify Me, you will release Me to do great things. In your praise, there’s victory. In your praise there’s strength. In your praise, draws My manifest presence. And as My people praise Me, all the people will see My glory declares God.”

“Hear, oh Israel, the Lord thy God is one. In Me there is no division. In Me there is no beginning and no end, there is only one thing and that is Myself says God. For I AM the Alpha, the Omega. I AM the beginning and the end of all things. I AM the one who starts your faith and I AM the one that brings it to fruition. For all things have their being in Me says God. All things have their origin in Me says God. But there is one who perverts what I have. There is one who twists, who puts a lie into the truth that I speak into the world says God, and he is the author of division. He is the one who steals and kills and destroys. He is the one who seeks to steal the very life that I have breathed into mankind. He is the one who devours. He is like a fire and he’s never quenched, he’s never satisfied, always wants more, always wants more. But I AM your source and I AM your sustenance says God. All that you need, all that you require is found in Me says God. For I AM the supplier, I AM the benefactor. I AM the healer. I AM all these things that you long after and even more. So seek after Me says God. For when you seek after Me you shall have the things that this world offers you, but you shall have them in peace. You shall have them in abundance for I AM the source. And I don’t have to rob from one to give to another, for I AM able to give you the power to create wealth out of nothing, wealth out of the discards that humanity throws aside. I AM able to generate wealth out of those things. And I AM the God who dwells in you says the Lord; and I AM He that gives you all wisdom and all knowledge. Seek after Me. Seek after Me. Stop running after the ways of the world, stop running after all the things that the world has to offer. For when you find Me, you have found the answer, you have found the Source of all that you need, for I AM He declares Yahweh.”

“My light, declares the Lord, is breaking into the darkness; and even as My light shines, the darkness dissipates. From time to time My light has shown and there have been shafts of light, but I said in My word that I will cover all the earth with My glory, which is to say that darkness shall be vanquished. For soon and very soon My Son is going to touch down. Soon

and very soon My glory will fill the earth. But before I return says Jesus, My glory will be poured out on you, on My people, on My church. The church is not a denomination, the church is My people says God. It’s not the ones I have chosen as such, but those that have chosen Me over the things of the world. There will My light be. There will I shine forth, and it’s happening all over. Just a bit here and a bit there and a bit over here, but it’s increasing. And people that have said “there is no one with me, I stand alone”, oh, open your eyes and see what I am doing in all the earth says God. For you are not alone. For I have many, many, many hidden, even in the secret places of this earth. I have many people in position ready, ready to do My will. Ready to do that which I have called, for there is a turnaround. There’s a change. My Holy Spirit is breathing afresh on the earth. And for those who will get in the breeze, oh they will flow with Me. For I shall fill their sails as the ships of old, and they shall go wherever I take them. Wherever My breath blows there My ships will go. For I will cover the earth with My word. I will cover the earth with My presence. I will cover the earth with My glory says God. So rejoice, rejoice that you are a part of this. Rejoice that you are included in this. But rejoice even more that I am in the earth still delivering, still healing, still setting people free.

(Tongues) “It’s just the beginning, it’s just the beginning. This is not the end yet, but My people are lifting up their heads and they’re looking to Me says God. They’re looking to Me for their satisfaction. They’re looking to Me because they’ve looked to the world and the world has failed, for the world walks in darkness, But I, saith Jesus, am the light of the world.”

“The Lord says I love you My children, you are so precious to Me, you are so special to Me. Every one of you is an image of Me. Every one of you bears My image and that image is being refined and that image is being changed from one level of glory to another level of glory by My Spirit that is at work in your life. And sometimes you wonder and say, ‘Lord will we ever get there?’ Oh, the time is coming, the time is near says the Lord when you will shine forth brighter than the noonday sun. Just as I shine you will shine. And a dark world will see the light and they will

come to the brightness of the glory rising above you to inquire and say ‘What is that, what have you got, what’s going on?’ And you’ll be able to tell that’s the Lord, that’s My Father working in me. That’s His glory, that’s His brightness. I want you to know My children you’re special, everyone of you is special. And I see, I gaze upon you individually. Oh, yes I see you as a group, I see you as a congregation, but I look at you individually. And when I look at you I see My personal plan for your life, designed to bring you up, designed to lift you up higher and higher and today you are being lifted up even higher. Yes this very day says the Lord you’re being lifted up. I’m lifting you up. Oh, for the world needs to see you, for I said if I be lifted up I will draw all to Me. Oh, but you are Me! Don’t you see, you’re Me to this world? You’re the only Me they’re going to know, so I’m lifting you up that they may see Me in you. They come running, they know that I’m the One who loves unconditionally, I’m the one that does not condemn, for I’ve already pardoned. There is no condemnation. There is no guilt. There is no failure in Me for I took it all says Jesus. I took it on the cross for you, and no matter who may have told you differently, you may have had a parent, you may have had a sibling, you may have had someone in authority say, ‘Oh, you’re a failure, you’ll never be anything.’ That was their words. Now hear My words today. You’re special, special, special says the Lord, and I have loved you with an everlasting covenant love. I could no more forget you than I could forget My covenant promises says the Lord. So be assured, today I’m lifting you up. I’m lifting you up higher and higher, and the higher you go the more you’re going to see. And the more you see the more you’ll understand your purpose says the Lord. But remember, from this day forward, remember you are so special to Me. I have engraved you on the palms of my hand. And yet says the Lord, I want you to understand, as My children, I’m going to have you do things that look foolish to the world. They’ll even look foolish to your natural mind. You’ll say, ‘This doesn’t make any sense. Father, why should I do this or why should I do that?’ But I want you to know I use the foolish things in the realm of the spirit to confound the wise. And I want to bring the wise of this world to a place where they understand that what they know is worth nothing, but what you know in the spirit is worth everything says the Father.”

(I heard the Lord say), “You have joined in the assembly of the heavenly host. Angelic beings are here today and you joined in with their praising and magnifying the Lord. And as you did that there was a releasing of My power says the Lord. There’s a releasing of My anointing. Not just for you but for you to carry it from this place out into the streets, the marketplaces, wherever you go, let this worship be a part of your traveling. Let it be a part of what compels you, and as you go, lives will be changed says the Lord.”

“The Lord would say unto His people, from the north, the south, the east and the west I’m sending forth a call, and I’m calling people to come to this place. I’m calling people into this area who will connect, who will unite, who will be a part of what I want done, who will obey My voice and you’ll connect with them. And there’ll be a great army raised up here. And I say unto you My children, I’m going to do things that you would never believe in your natural mind. Only by expecting will you be able to comprehend what I am going to do here in this place says the Lord. And I tell you My children that you can search and see if you can find one who can truthfully say that the Lord God promised and did not fulfill. For I am

the God who not only speaks but I am the God who brings it to pass. And I say to you, you are My children and I've called you and I've called you to this place, I've assembled you to this place for My purposes. You're not here by accident, you're not here even here by your choosing, you're here by My divine purpose and call. And I've assembled you together for My purpose. Be one says the Lord, as My Son prayed that you would be one, be one. Be united in spirit, be united in vision, be united in expecting Me, your Father, to do great and mighty things, to bring to pass that which I have said in My word. And you will see it happen says the Lord. For these are the days of revival. These are the days of renewing says the Lord, in which I am pouring out afresh of My spirit upon all flesh. And some will come and they will not come from the background that you may expect. So expect those to come from diverse backgrounds, and those from diverse ways of thinking, for they'll come in and they'll blend harmoniously. They'll come and blend in together and they'll be one with you. You'll know them, you'll know them by their spirit. Do not judge them because they don't understand all that you understand says the Lord, but as you are willing to share, and as you are willing to care, and as you're willing to bear, they will begin to understand and they'll get revelation, as you have gained revelation says the Lord. So expect My children, expect your God to go so far beyond what you can comprehend. For that is My heart for this place and that is My heart for you says the Lord."

"It's time to take another step, it's time to come up to a higher level. It's time to enter in to another threshold. It's time to renew your soul. It's time to renew your mind, to change the thinking from the flesh into My kingdom, to take a higher road than what you've seen before you. But, to walk that road by the power of My Spirit says God. For I am taking you by the hand, and I'm walking you through pains, disappointments, and discouragements of the past. For in order to go where I am leading you, you must come through the valley of the shadow of death. You must come through the darkness. You must come through the blindness that surrounds this world and natural men to rise up to a higher level, a critical level of thinking, a critical level that walks in accordance with Me says God. For I don't think like natural men, and the things that disturb you don't bother

Me at all. For I already know the outcome, and I'm not caught up in all these things that clutter the world. I'm not caught up in what clutters your mind, for I am free of those things. And I am calling you into a place with Me, says God, where you will be free of these things. You will be free of the annoyances, you will be free of the hindrances, because you think on a higher level, because your faith in Me has become greater than faith in the natural things. For you look to the left and to the right and you say, "See all these things that are coming upon me!", when you need to look to Me, says God, and know that I have already overcome the adversity, where I will give you the answers, I will give you the instructions, I will give you the things to walk in, that you will rise to that higher level. To where the limitations of this world, this natural world, will pass away. Because you see My opportunities. Instead of saying "I can't", you begin to say "I can." Instead of "I won't", you say "I will." For you've chosen a different path. You've chosen not the wide path, but the narrow path that leads to salvation. You've chosen to renew your mind, to renew the thinking to a higher order, to a way that agrees with Me, says God. For I will bring you into that place, but you've got to be willing to follow. You've got to be willing to let go of that which so easily clings upon you, and to look to My Son and to look to My glory. And you shall walk at a higher level, and experience things in a higher degree than you've ever known before. So shake the dust off, shake off that old way of thinking, and renew your mind in Me says God. For I AM the Almighty. I AM He who has conquered death. I AM He who is life, says God, and I will pour My life in you now!"

"I am God says the Lord, and there is none other. There is none that can compare to Me. There is none that can do what I have done for you. And yet you sell Me short. You say all these things, you believe all these things, and yet you say 'Oh, but could it be done for me?' Yes, it can be done for you says God. For I am your God, I am not the god of all the others. I am your God. I am a personal God. I am the God who has made Himself alive on the inside of you. I am your healer. I am your redeemer. I am your life says the Father, and I have chosen, not because of who you are, but I have chosen to dwell in you and make you into Me. To fill you up, to consume all your flesh, to consume all the bad thinking, to consume

all those things and burn them up and throw them away like chaff. I am the God of fire says the Lord, and I am purging My people, and I am bringing them into a higher level, and I am bringing them into a higher place than they have ever known before. For all that has gone before has been preparation for this point, has been preparation for this day declares God. For I am doing something not new to Me, but new to you. For I am calling you to enter into My gates, enter into My courts, to enter into My house declares God. For I am ready and able to build it in the earth again through My church. That's who My church is, it's My house says God. Jesus said I will build My church and the gates of hell shall not prevail against it. And I'm telling you says the Father, the gates of hell shall not prevail against My church. And if you're in the church, ohhh, it's like when the angel of death passed over in Egypt, if they were in the house, if they were in the house, the angel of death could not touch them for they were under the blood. And those who are in My church are under My blood says God. I have marked them. I've marked them for salvation. I've marked them for deliverance. I have marked them for health. I have marked them for life, says God, that they would receive all that I have. For it is the day of outpouring. It is the day. So don't live in the past, don't live in what used to be. Don't look back and say, 'Oh, I wish it could be like then.' No, wish it could be like today. For today I am indwelling My people. Today I am indwelling My house says God. And all who call on My name shall know of who I am says God. For I am revealing Myself person to person, people to people, nation to nation, government to government to where every knee will bow and every tongue confess that Jesus is Lord!"

"The time of my story, history, that you are entering into, requires a level of obedience that My church has not walked in for some time. For you've chosen to walk in the rejoicing, you've chosen to walk in the proclaiming, you've chosen to walk in all these different things that are good but you've left out discipline. Many things that I have desired, many things that My people have prayed for, have gone undone for a lack of discipline. Even the election that is before you is dependent upon My discipline, that you would vote for Me says God. Not that you would vote

your emotions or your feelings, or what you think, but it is a vote for Me says the Lord. And the future of this nation will reflect the discipline of My church to do that which is right. But it goes to a personal level. For what I am calling you into is not just an election, it is a way of living. For in My word Jesus said I command you to make disciples. You've made converts, you've made those who have fallen in love with Me and want Me as their savior and their deliverer and their helper and their healer, but they don't want Me as their Lord. And so the church has become anemic, because even though I'm speaking, one will say 'I hear, but Lord, I don't, I don't want to do that.' Another one will say, 'Well Lord, I, I understand what you're saying, I understand the importance of it, but I'd rather do it this way.' And My body is racked with rebellion, it's racked with self will, it's racked with indulgence of oneself, and I am not Lord. For in the days coming upon the earth, discipline will save you. It is a matter of life and death at this point says God. And those who will hear My voice and obey, those who will seek My will above theirs, I will use them at higher levels of ministry, higher levels in politics, higher levels in the affairs of this world, but those who choose to go their own way and choose their feelings above the discipline of My Spirit, you'll see them fall away. For discipline is never fun, and children don't like discipline. But there is a discipline of My Spirit says God. It's not harsh, it's not mean, it's not cruel, it's not even demanding, but it is the difference between life and death. And it's time My body chooses life and understands My discipline is the road of life. For wide, wide is the way that leads to destruction, but narrow is the path of salvation. And it's that narrow way that I've called you to walk into says God. It's that narrow way that will separate you from the ways of the world. It's that narrow way where the flesh wants to rebel and the flesh says 'I don't like this, it's uncomfortable!' It is for a while, oh, but when the glory comes, when My manifestations come you'll be glad you obeyed. You'll be glad you accepted My discipline. You'll be glad that you conformed your ways to My ways says God. For then you shall see My glory, and you shall see My glory where you are; not just in foreign lands, not just in other countries, but you'll see the glory where you are. For there (are) many coming into the church, but yet they're not coming under discipline. And they play with Me, but they're not disciplined. And I'll use them to lead others into My body says God, and they shall see salvation and they shall see things, but they'll always be on the outside of it. For they've not yet learned to discipline the flesh that My glory would come through. For they still seek their own pleasure instead of My will

says the Lord. But there are those here that seek after My will. There are those here that will humble themselves, and as they humble themselves I will exalt them says God. For My word will come to pass and I shall see My glory poured out in all the earth, even where you are says God.

“I’ve spoken to you before says God, I’ve said that there are things that you will see, things that you will accomplish, areas that you will begin to step into that are beyond your imagination. But they come through discipline, they come through obedience. It’s more than just a gifting, it’s the willingness to yield yourself to the gift. It’s what I’ve been speaking to you over the last several weeks. It’s about having a right heart, a righteous heart, that is obedient to Me says God. One that has put flesh under, and one who has set My Kingdom to be its highest goal. For didn’t My Son tell you, seek first the Kingdom of God and all His righteousness, and all these other things that the flesh seeks after, I’ll give it to you. But by and large My body in America has not sought My Kingdom, they’ve only sought the righteousness. So they walk convinced of being guiltless and yet not serving My Kingdom. There is a difference. That’s why I said seek first My Kingdom, My way, My rulership, to be obedient to Me, that you will walk into these other areas.”

“For I’ve already begun to move in your midst. And it’s not just when you congregate together, it’s not just when you gather in My house, in My name, it’s in your house in My name. It’s in your house that I’m doing the miracles. It’s in your house I’m opening the windows of heaven. It’s in your family, your household that I’m doing these things saith the Lord, and you gave testimony of it today. These are the gifts of the Spirit. These are the moving of the operation of My being among you saith God. For too long the church has said, ‘Well, when we gather together, when we come

together as one then maybe God will do something.’ No, I’ll do it wherever you are says God, for you are My church. It’s not only when you gather together, but it’s where you are with Me saith God. For I spoke with Abraham alone, and I spoke with Isaac alone, and I spoke with Jacob alone. They weren’t in a congregation, they weren’t in an assembly, but they were seeking after Me. And wherever those seek after Me, there I will be saith God, for I am with you all the time.

“I said I will never leave you. For people will gather in My name and they will come together, and there I will be also says the Lord, for I inhabit the praises of My people. But you can praise Me alone, you can praise Me in the country side, you can praise Me in the city, you can praise Me in your house. And wherever you praise Me, I will inhabit your praises saith God, and I will do the same wonders among you individually that I will do corporately. But because of the faith of the people it had to take others to come together for that faith to begin to manifest. Oh, but I’ve given you a gift of faith, and I’ve given you the faith of My Son saith the Lord, so where you are you can operate in faith there, you don’t have to delay, you don’t have to wait. You can receive My blessings wherever you are saith God.”

“I am bringing you out says the Lord with a mighty hand you will see Me. It’s not what you’re doing, you go vote for Me like I told you to, but I’m bringing you out with a mighty hand. No one will take credit for this, no one, this is My move. This is My day says the Lord.”

“Oh this the beginning of the final great revival says God. This is the beginning of those things saith God. It’s not by the works of men, it’s not even by your prayer, it’s by your obedience that this is beginning to happen. The outpouring of My Spirit has begun, it has already started, but you are beginning to walk in some of the manifestations of this. For I told you two years ago it’s a new wind. I told you two years ago it’s a new move, it’s a fresh move of My Spirit says God. Well, now you’re seeing

the leaves beginning to rustle. You're seeing the trees begin to sway at the breath of My Spirit declares God. This is but the beginning. It's not the end. It's a battle in the war, but it is a battle that I have won declares God. It is a war that I have already decreed victory in saith God. Oh, there will be dark times, there will be those things that come upon the earth, but, woe, woe, woe to those who prophesy doom, death and destruction, for I am coming in My glory declares God, and you will see My manifestation beginning to sweep over this earth declares God."

"The horse and rider have been thrown into the sea. Change is now becoming evident in this nation. But it's not yet over. For My people celebrate, and My church shouts with praise and honor, and yet, pharaoh said he would let you go to worship the Lord. But once they left Egypt, they had to cast off the slave mentality. They had to cast off four hundred and thirty years as slaves. They had to change their way of thinking. And My people are changing their way of thinking, but it can take forty days or it can take forty years. This is not the time to be disobedient. This is not the time to say 'Woo, we have won! It's all over with!' No, no, no! This, this is the time to seek Me saith the Lord. This is the time to seek what I would desire for My people. For I have created you to rule and to reign and to have dominion over all that you see. And My people have been displaced from politics, from education, even from the house of God. For

that which is false has grown, and that which is genuine must rise to the surface. Don't let this be a 'surface' event for you. Don't let it be just a time of 'Well, now we can go on with our own business.' No, no, no. This is the time to do My business saith God! This is the time to come together as one body, as a new man in the earth. This is the time to show My people, to show the world who I AM, saith God. So rush not out, don't be overly giddy, but rejoice in Me. For I have given you this victory. And it's by your obedience that you have won it. It's because My people obeyed Me. And this is a new thing for My people. For again, I delivered Israel over and over and over, and yet each time I delivered them (because I heard their cry), each time they went back to their own ways and their own way of thinking, and their own way of doing things. I am preparing you for the Kingdom saith Jesus. Not just a celebration, but a Kingdom of where I rule, of where My will is done, even as it is in heaven, that it would be done in the earth. It's a new day. It's a day of beginnings, not a day of endings. It's not a day of finishing, it is a beginning saith God. So begin it with rejoicing. Enter into My house with praise and thanksgiving. Enter My house with your hands lifted up. Enter (My) house with praise in your mouth for what I am doing and will continue to do. But it's still dependent upon the obedience of My people saith God, to not get caught up in the vain philosophies of men, to not get caught up in that 'we finally have power and we're going to make them pay.' No, no, no, no, no! For that is not My way saith God. For My way is that all would come unto a saving knowledge of Me, that they could all enter into the Kingdom of God. For when I bless you, that blessing overflows, and that blessing flows to others. It's not something that I have created to only bless you, but where you go the blessings follow saith God. So let the blessings flow. Let Me flow in your life and in your purpose and in your direction saith the Lord."

(Given after the morning message)

"I'm sharing these things with you, that when the Kingdom becomes manifest, you will know how to work in those gifts, that you will have the understanding that many of those who operate in the gifts don't have. But I'm giving it to you, so that you can work properly in Me, that I can do the things I want to accomplish, and not just settle and lift up men, but I will lift Me up saith the Lord. And I will do those things in My time and in My way, that it will be by My power and not by the will of men. So learn these things, and set them on the inside of you, that you can walk right with Me,

that the gifts of the Kingdom will flow through you properly, that My Kingdom would be established wherever you are.”

“This is the celebration says the Lord, that in all the earth My Name is proclaimed during this season. Every nation, every kindred, every tongue begins to look to the heavens again. They’re searching for My angels, they’re searching for My glory says the Lord. And yet on this season that you celebrate, I gave My Son to the earth. I sent Him to save you and to deliver you. And all the worlds, all the kingdoms look to this day and they are aware of this moment. For I have sent Salvation into the earth, and He remains among you to this day, and will never leave you and will never forsake you. This is a season of joy declares God. This is a celebration of life, because that’s what I AM. I AM life! But yet there are those who have sought their own way and their own patterns, those who have rejected Me. Oh, for this, this is a season of anguish. This is a season that they would love to squash out, for they know not life, and they only know death. And they only know the corruption of their own hearts, for they’ve not yet received the glory that I have in store for them saith God. For if they would turn, if they would cry out to My Name, oh I’ll fill them, I’ll renew them. I’ll bring them into My house says God. And many could be used for My glorious purpose, but yet they will not come. For many shall hear and many shall not come, but you are not among those ‘many’. You are among those who have heard, and you have come to Me says God. So take joy this season! With all the stuff going on in the world, know that I AM Lord. Know that I am above and not beneath. Know that I am the head and not the tail declares Jesus, and every knee will bow and every tongue will confess that I am Lord. Some will do it with joy. Some will do it with fear. But it will be done in all the earth, that every knee will bow. So take joy! Don’t look at the things going on in the world. Don’t look at the things and the ups and downs. Don’t follow the news too see what’s going on, for I have brought good news. And My news supercedes that of the world declares God. For it knows only calamity and only fear. Oh, but My news is the glorious gospel of My Son Jesus! It’s His gospel, that life has come and life is fresh and life is new. So celebrate in this, not just that you know Me, but celebrate that I know you! And I have chosen to make My home

in you and to flow through you declares God. Take joy in this, this year!”

“There is a release of power in My Spirit says the Lord. Those in the church cry for My power. They cry for Me to do the things today that I did in times of old, but yet they will not yield their spirit to Me that I can move through them. But when you release, and when you pray in My Holy Spirit, when you begin to let your spirit man loose and let him begin to overpower the mind and the intellect and the traditions of men, there can be a power in your life that flows from heaven. And it will begin to manifest and change your life in the natural, because now you are walking in the supernatural. So follow after Me. Pursue these things of My Spirit says the Lord. Covet after them as Paul told you, and seek after these things, that you would know Me in My fulness, that I could fill you up to the fulness of the stature of the Son of God, that you would know what it is to be a son and a daughter of the Most High God.”

“Oh, I’ve come to bring you tidings of great joy. I’ve come to break the curse throughout all the earth. I’ve come to destroy the destroyer - the one who thought he had all the power; the one who thought he could destroy humanity. I have come to destroy him and all of his work. I’ve come to restore My people, those who would call on My Name. I’ve come to restore them to oneness with My Father, the way it was meant to be in the beginning, the way that God created you to have fellowship with Him, that you would know Him. For this is life, this is salvation - to know the one true God, to know the Father, the Creator of all things; to walk with Him and be with Him. This is zoe. This is life itself. This is Who I Am declares Jesus. And I have come to bring you back into that full relationship. To this date, humanity has only stepped in a little bit of it. Oh, but there is so much more to come! And it can come to you in this new year. It can come to you and manifest itself to you in this new life that you have in Me, says Jesus. That you can walk in greater measure and greater

proportion, in greater outpouring of My presence in the earth. Oh, there will be things that rise up. There will be those lies, those (deceptions). Those things that deceive will try to rob and steal the word from you, but it cannot separate you from Me. For I am with you always, declares Jesus, declares the Christ, the anointed One, Who comes to destroy all the wickedness in the earth. I have come to destroy that fear and that doubt in you, that you would walk with Me again. To know Me, says God. To be one. Let this year be a manifestation of My glory, says Jesus. Let My life possess you, to set you free of all the boundaries, all the barriers, all the doubts, all the fears. Let Me rule. Let Me have dominion in your life, and you shall walk in a greater dimension than what you can think or perceive of if you just follow Me. For I've got it all prepared, says Jesus. I've made the way. The entrance is there and it is open for all who will come and seek after Me. For those things that I've declared from the beginning, says the Father, declares the Holy Spirit, those things you will begin to walk in, and you will see the glory of the Lord!

“So open your hearts, open your thoughts to Me, says the Father, and I will show you the revelation. I will give you the understanding that Abraham had, that Isaac had, that Jacob had, that Isaiah had, that David knew. I will show you those things and I will show you more. For I will give you the mind of Christ, Who now is seated at the right hand of Power and now knows all things. Think about this..... When Jesus was in the earth, He did not know all things, He knew what the Father revealed to Him. But now, He has been restored to His former position, and now He knows all things! And He, through the Spirit, will reveal them to you, **if you seek, if you hunger, if you thirst** for those things. I will reveal them to you in your time, in this age, says the Father.”
